Our school initiatives are on track to meet or exceed our targets

During 2017, we focused on maximising the benefits of this funding for our students. After reviewing our 2017 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. Initiatives implemented include:

- Extra allocation of teachers and Guidance Officers to reduce class sizes, provide extension and enrichment and improve learning & wellbeing connections and pathways options
- A 'faces to the data' approach to student progression resulting from explicit and targeted teaching to accelerate student literacy and numeracy proficiency and achievement
- Support teaching and learning by acquiring resources including self- paced learning programs – Maths Pathways, Literacy Planet, Word Mania, additional texts and materials
- High Achievers enrichment opportunities

These initiatives delivered accelerated student performance by improving student reading, reading comprehension and aspects of writing and numeracy at or above Nation:
