Our school initiatives are on track to meet or exceed our targets

During 2018, we focused on maximising the benefits of this funding for our students. After reviewing our 2018 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- A focus on reducing variance across classrooms through agreed expectations, pedagogical practice, teaching strategies and actions
- The creation and development of a Success Team consisting of additional allocation and redeployment of key staff to support students and build teacher capacity.
- Extra allocation of teachers and Guidance Officers to reduce class sizes, provide extension and enrichment and improve learning & wellbeing connections and pathways options.
- High Achievers enrichment opportunities including ,Reading, Information and Research Centre development , engagement in Impact Programs, Academic Competitions, Master Classes and afternoon tutorials .

These initiatives delivered accelerated student performance by improving
